4. (Secret - GLC) Met with J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, and subsequently with Senator Eastland, Chairman of the Subcommittee and of the full Judiciary Committee, and stated our desire

5. (Unclassified - GLC) I advised George Murphy, on the staff of the Joint Committee on Atomic Energy, that the Director would be away until Thursday and had a commitment for luncheon this Friday. I told him I would be back in touch with him upon the Director's return about a possible date for the luncheon visit of Representative Catherine May (R., Wash.).

6. (Confidential - JMM) Received a call from Dick Cook, of the White House staff, who explained he was handling congressional liaison for Mr. Timmons, who had passed to him the material we sent Timmons regarding S. 782 (Ervin bill). Cook said he had discussed the problem with Ted Kazy, Senior Staff Assistant, House Post Office and Civil Service Committee, and suggested that I send Kazy a copy of the Director's draft letter to Chairman Henderson. I commented that technically this would be "jumping the gun" so far as channels were concerned, but Cook assured me that Kazy could be trusted in the matter, and said Kazy expected a call from me.

Pursuant to the above, called Mr. Kazy who said he would be tied up this afternoon but would be available to meet tomorrow morning. I told him [redacted] would call on him then and bring a copy of our draft letter to Henderson and other material regarding S. 782.
